Brinck Slattery · [✉](#) · [🔗](#) · [🐦](#)

Brinck's range of experience includes national political campaigns, crisis PR, SEO writing and optimization, digital marketing, RV sales, construction labor, and a variety of other strange and interesting pursuits (feel free to ask).

An inveterate music and media lover, Brinck remembers the pain of Kazaa and Limewire, and is seriously psyched about living in the future where it's easy to compensate artists directly for their work.

He lives in Manchester, NH and can be regularly found lurking wherever the latest music is blaring.
